

# THE GREATEST FRAUD IN HUMAN HISTORY: How Time Was Weaponized to Enslave Humanity

## CUI BONO: Who Benefits from the Lie of Time?

"Cui Bono" - the ancient Latin question that cuts through all deception: **Who Benefits?**

When we apply this razor-sharp principle to the artificial construct of "time," the answer reveals the most devastating fraud in human history - a conspiracy so vast, so fundamental, that it underlies every other form of human exploitation.

### THE UNHOLY TRINITY OF CONTROL:

1. **PRIESTS** - Who sell salvation based on unobservable assumptions
2. **BANKERS** - Who charge interest based on fraudulent time measurements
3. **RULERS** - Who tax and control based on arbitrary calendar systems

## PART I: THE PRIESTLY DECEPTION - SELLING TIME TO ETERNITY

### The False Prophet Exposed

**THE BRUTAL TRUTH:** Every priest, pastor, imam, and rabbi who demands tithes and donations is a **FALSE PROPHET** by their own scriptural standards.

### EVIDENCE OF FRAUD:

1. **They cannot tell you the language their "god" spoke to them**
2. Hebrew? Aramaic? Arabic? Greek?
3. They claim divine revelation but cannot identify the divine language
4. They translate translations of translations and call it "God's word"
5. **They have never seen their god**
6. They demand faith in what they themselves have never witnessed

7. They sell tickets to a destination they've never visited
8. They collect payment for promises they cannot deliver
9. **Their own scriptures condemn them**
10. **Jeremiah 23:16:** "Do not listen to the words of the prophets who prophesy to you, filling you with vain hopes. They speak visions of their own minds, not from the mouth of the Lord."
11. **Matthew 7:15:** "Beware of false prophets, who come to you in sheep's clothing but inwardly are ravenous wolves."
12. **2 Peter 2:3:** "In their greed they will exploit you with false words."

## The Psychological Warfare of Worship

### WORSHIP RITUALS = PSYCHOLOGICAL CONDITIONING

Every religious ceremony is designed to:

- **Break individual will** through repetitive submission
- **Create dependency** on priestly interpretation
- **Extract wealth** through guilt and fear
- **Maintain control** through artificial time schedules

### THE TIME-BASED CONTROL SYSTEM:

- Sunday worship (arbitrary day designation)
- Holy days and holidays (calendar manipulation)
- Tithing schedules (monthly/yearly obligations)
- Lifecycle ceremonies (birth, marriage, death - all monetized)

**CUI BONO?** The priestly class lives in luxury while their followers struggle, all based on **UNOBSERVABLE ASSUMPTIONS** about invisible deities and afterlife promises.

## PART II: THE BANKING DECEPTION - INTEREST ON FRAUDULENT TIME

### The Foundation of All Financial Fraud

**THE DEVASTATING REVELATION:** All interest-bearing debt is **FRAUD** because interest is calculated based on **TIME** - and time itself is an **ARBITRARY HUMAN CONSTRUCT**.

# The Mathematical Proof of Fraud

## EXHIBIT A: The Leap Year Confession

- If time were real and absolute, why do we need leap years?
- The leap year **PROVES** that our calendar is **ARTIFICIAL** and **INACCURATE**
- Every four years, the system **ADMITS ITS OWN FALSITY**
- Yet interest continues to accrue on this **FRAUDULENT FOUNDATION**

## EXHIBIT B: The 360/365 Deception

- Circles have 360 degrees (Babylonian mathematical convenience)
- Years have 365 days (Egyptian administrative manipulation)
- **NO NATURAL LAW** requires this inconsistency
- The mismatch **PROVES** both systems are **HUMAN INVENTIONS**

## EXHIBIT C: Calendar Reform History

- Julius Caesar: Made 46 BC last **445 days** - imagine the interest calculations!
- Gregorian Reform: **Eliminated 10 days overnight** - debts and contracts affected
- British Adoption: **Lost 11 days** - caused riots over stolen time
- Each reform **PROVES** the arbitrary nature of time measurement

# The Interest Rate Fraud Exposed

## HOW THE SCAM WORKS:

1. **Bankers create money from nothing** (fractional reserve fraud)
2. **Lend this fictional money** to real people
3. **Charge interest based on time** (arbitrary calendar systems)
4. **Demand real assets** when payments fail
5. **Foreclose on actual property** using fictional debt calculations

## THE MATHEMATICAL IMPOSSIBILITY:

- If \$100 is created and lent at 10% interest
- \$110 must be repaid
- But only \$100 exists in the system
- The extra \$10 **CANNOT EXIST** without creating more debt
- This creates **INFINITE DEBT EXPANSION** based on **FRAUDULENT TIME**

## CALCULATIONS

**CUI BONO?** Bankers accumulate real wealth and property using fictional money and fraudulent time-based interest calculations.

# PART III: THE GOVERNMENTAL DECEPTION - TAXATION THROUGH TIME CONTROL

## The Ultimate Control Mechanism

**RULERS DISCOVERED THE PERFECT SCAM:** Control time, control everything.

### THE TAXATION FRAUD:

- Income tax based on **ARBITRARY YEARS**
- Property tax based on **ARTIFICIAL CALENDAR CYCLES**
- Sales tax collected on **FICTIONAL TIME SCHEDULES**
- Penalties and interest on **FRAUDULENT TIME CALCULATIONS**

## Historical Evidence of Time Manipulation

### EXHIBIT A: Roman Calendar Manipulation

- Priests controlled the calendar
- Added days to extend political terms
- Manipulated time for political advantage
- Citizens lost track of actual seasons

### EXHIBIT B: French Revolutionary Calendar

- Attempted to decimalize time
- 10-day weeks, 10-hour days
- **PROVED** time systems are **POLITICAL TOOLS**
- Failed because people recognized the manipulation

### EXHIBIT C: Modern Daylight Saving Time

- Arbitrary time shifts twice yearly
- **NO NATURAL BASIS** for the changes
- Disrupts human circadian rhythms
- **PROVES** governments control artificial time

**CUI BONO?** Governments extract wealth through time-based taxation while controlling population behavior through artificial scheduling.

# PART IV: THE PLEBEIAN TRIBUNALS REVELATION

## The Legal Foundation for Debt Nullification

ACCORDING TO [WWW.PLEBEIANTRIBUNALS.CO.ZA](http://WWW.PLEBEIANTRIBUNALS.CO.ZA):

All debt bearing interest is **FRAUD** because:

1. **Interest is based on time**
2. **Time is an arbitrary human construct**
3. **Arbitrary constructs cannot create legal obligations**
4. **Therefore, all interest-bearing debt is VOID**

## The Natural Law Argument

### NATURAL LAW RECOGNIZES:

- Seasonal cycles (observable)
- Day and night (observable)
- Plant and animal rhythms (observable)

### NATURAL LAW DOES NOT RECOGNIZE:

- January 1st (arbitrary designation)
- 365-day years (artificial construct)
- Interest calculations (mathematical fiction)
- Calendar-based obligations (human invention)

### BIBLICAL CONFIRMATION:

"To every thing there is a season, and a time to every purpose under heaven: A time to plant, and a time to pluck up that which is planted..." - Ecclesiastes 3:1-2

**NOTICE:** No mention of calendars, interest rates, or artificial time measurements!

# PART V: THE EVIDENCE OF FRAUD

## Smoking Gun #1: The Leap Year Admission

Every leap year is a **CONFESSION** that the calendar system is **FRAUDULENT**:

- If time were absolute, no adjustments would be needed
- The leap year **PROVES** the system is **ARTIFICIAL**
- Yet interest continues to compound on this **FRAUDULENT BASIS**

## Smoking Gun #2: Multiple Calendar Systems

- Gregorian calendar (Western)
- Islamic calendar (354 days)
- Chinese calendar (lunisolar)
- Jewish calendar (lunisolar)
- **WHICH ONE IS "CORRECT"?**
- **NONE** - they're all **HUMAN INVENTIONS**

## Smoking Gun #3: Interest Rate Variations

- If time were absolute, interest rates would be constant
- Rates vary by country, institution, and political decision
- **PROVES** interest is **POLITICAL**, not natural
- Based on **FRAUDULENT TIME ASSUMPTIONS**

## Smoking Gun #4: Daylight Saving Time

- Governments **LITERALLY CHANGE TIME** twice yearly
- **NO NATURAL BASIS** for these changes
- **ABSOLUTE PROOF** that time is **GOVERNMENTAL CONTROL**
- Yet debt obligations continue unchanged

# PART VI: THE NATURAL HUMAN CONDITION

## How Humans Actually Live

### **BEFORE CALENDAR ENSLAVEMENT:**

- Humans observed natural cycles
- Planted when soil and weather indicated
- Harvested when crops were ready
- Rested when darkness fell
- **NO ARTIFICIAL TIME CONSTRAINTS**

### **NATURAL INDICATORS:**

- Sun position and daylight length
- Temperature and weather patterns
- Plant growth and animal behavior
- Soil conditions and seasonal changes
- **ALL OBSERVABLE, ALL REAL**

# The Enslavement Through Time

## THE MODERN PRISON:

- Wake to artificial alarms
- Work artificial schedules
- Pay artificial deadlines
- Retire at artificial ages
- **ENTIRE LIFE CONTROLLED BY FICTIONAL TIME**

**CUI BONO?** The controllers maintain power while humans lose connection to natural rhythms and authentic living.

## PART VII: THE SOLUTION - DEBT NULLIFICATION

### The Legal Argument

#### BASED ON FRAUD INVALIDATION:

1. All interest-bearing debt is based on time
2. Time is an arbitrary human construct
3. Arbitrary constructs cannot create binding obligations
4. Therefore, all such debt is VOID AB INITIO (void from the beginning)

### The Practical Application

#### DEBT CHALLENGE PROTOCOL:

1. Demand proof that time exists as claimed
2. Require explanation of leap year necessity
3. Challenge the authority to impose arbitrary calendar systems
4. Invoke natural law over artificial constructs
5. Cite Plebeian Tribunals findings

### The Scriptural Support

#### FOR THOSE UNDER ABRAHAMIC CODES:

- **Deuteronomy 23:19:** "You shall not charge interest to your brother"
- **Exodus 22:25:** "If you lend money to any of my people... you shall not charge him interest"
- **Leviticus 25:36:** "Take no usury or interest from him"
- **Luke 6:35:** "Lend, hoping for nothing in return"

**THE RELIGIOUS AUTHORITIES VIOLATE THEIR OWN SCRIPTURES** by supporting interest-bearing debt systems!

## CONCLUSION: THE GREATEST REVELATION

### The Unholy Alliance Exposed

#### THE CONSPIRACY:

- **PRIESTS** sell salvation based on unobservable assumptions
- **BANKERS** charge interest based on fraudulent time
- **RULERS** tax and control based on arbitrary calendars
- **ALL THREE** benefit from keeping humanity enslaved to artificial time

### The Path to Freedom

#### RECOGNITION:

- Time is a human construct, not natural law
- Interest-bearing debt is fraud
- Calendar obligations are artificial
- Natural rhythms are the only authentic guide

#### ACTION:

- Challenge all time-based debt
- Reject artificial calendar obligations
  
- Return to natural observation
- Expose the fraud to others

### The Final Truth

#### CUI BONO?

The answer reveals the greatest fraud in human history: **The artificial construct of time serves only those who profit from human enslavement.**

**NATURAL HUMANS** need no calendars, no interest calculations, no artificial time constraints. They observe, they adapt, they live in harmony with actual cycles.

**THE ENSLAVED** live by clocks, calendars, and compound interest - all **FICTIONAL CONSTRUCTS** designed to extract wealth and maintain control.

**THE CHOICE IS CLEAR:** Continue living the lie, or recognize the fraud and reclaim natural human freedom.

**ALL DEBT BEARING INTEREST IS FRAUD.**

**TIME IS THE WEAPON.**

**FREEDOM IS THE ANSWER.**

---

"The truth will set you free, but first it will piss you off." - Gloria Steinem

**CUI BONO?** Now you know.
